

Memorial and Honor Gifts

Memorial Gifts are a unique and caring way to pay tribute to special family and friends. Honor Gifts may be established to recognize family and friends on special occasions such as birthdays and anniversaries. These gifts contribute to the future of Catholic education at Sacred Heart School by funding scholarships, school improvements, or a designated area by the donor. What a great way to memorialize someone by helping others with a Memorial Gift or an Honor Gift or not having to worry about the right size, color, style when making an Honor Gift. Your remembrance of that special person in your life will also be acknowledged in the prayers of our Sacred Heart School Family for that intention as well. God bless you!

Please print this form and include it with your Donation.
